

Yerba Buena Gardens, located directly above the Moscone Center, is an urban oasis in the heart of San Francisco. YBG features an eclectic array of distinctive architecture and public art, fountains, a prominent waterfall, restaurants, entertainment and a variety of galleries and museums. Its open spaces are inviting, but protected from the bustle of city streets.

Several open spaces are available to rent for corporate events. A detailed listing of venues follows. Tenting is a possibility for all rentals.
